Sir:

Pursuant to the instructions of Captain W. P. Gannaway, Subject was interviewed this date, regarding his knowledge of LEE HARVEY OSWALD and the assassination of President John F. Kennedy.

Subject gave the following information: "I have been working here at the Texas School Book Depository for five years as a porter. I come to work at 10:00 A. M. and get off at 5:00 P. M. On the day Kennedy was shot I came to work at my usual time and saw Oswald who comes to work at 8:00 A. M. going about his usual routine as an order filler. I noticed nothing unusual about Oswald's actions. At 12:00 noon, I told Oswald that I was going to eat my sandwich. Oswald mumbled something that he was going up to eat. This was the last time I saw Oswald."

"During the Presidential parade, I was standing by a window on the lower floor at the front of the building watching the cars pass when I heard this shot. It shook the window and I moved away from the window and looked at the clock. It was exactly 12:33 P. M.. Some more shots were fired. I distinctly heard three shots in all. Some one said they were coming from the railroad tracks, I said as they are coming from the top of the building."

"I did not see Oswald leave the building. Oswald was very quiet and had nothing to say much to the other employees. During the lunch breaks, Oswald usually made several phone calls, which were usually short in length."
